

PRINCETON PFLAG/T-NET RESOURCES

Many of these resources have been recommended by our members, but please remember that we all are different and we may have different needs. We recommend that you check them out on the web for further information about their services and fees.

MEDICAL DOCTORS

*Recommended by Princeton PFLAG /T-Net members

GLMA: This is a terrific website that is comprised of health professionals advancing LGBT Equality. It lists LGBT friendly health providers anywhere in the United States. It also lists centers for LGBT services. (I discovered this when I was searching for a better price on testosterone.)

www.GLMA.Org
