

Princeton PFLAG/T-NET Membership Application

Princeton PFLAG/T-NET

Parents, Families and Friends of Lesbians and Gays (PFLAG), the nation's largest family-based support group, promotes the health and well-being of gay, lesbian, bisexual and transgender persons, their families, and friends through a variety of activities. The Princeton PFLAG chapter holds monthly meetings throughout the year where we share our unique stories, and learn from each other and knowledgeable guest speakers. Princeton PFLAG also has a buddy support program that offers confidential person-to-person support.

Princeton PFLAG recently started Transgender Network (T-Net), a subgroup to better meet the specific needs of families and friends of transgender and gender-variant individuals. T-NET holds separate meetings, but will join the PFLAG group for programs involving a guest speaker or panel discussion.

Your contribution includes membership to both the local and national PFLAG organizations.

The benefits of membership include:

- Support of families and friends at local meetings
- Quarterly issues of the national PFLAG newsletter and issues of the Princeton PFLAG newsletter
- Email "Action Alerts" with up-to-date, relevant information
- Discounts on PFLAG publications
- Invitations to events and conferences
